

**Mackinac Bridge Authority  
Release / Hold Harmless Agreement  
Driver Assistance Program**

I have asked the Mackinac Bridge Authority (MBA) to provide a driver to drive the vehicle in my possession across the Mackinac Bridge to a designated parking place. I certify that this vehicle belongs to me or that I have the owner's permission to use this vehicle. I further certify that this vehicle is in safe operating condition, is properly licensed and registered, and is currently covered by automobile liability insurance.

I understand that driving across the Mackinac Bridge involves risks, including but not limited to, risks from other vehicles, weather, and road conditions. I also understand that the State of Michigan, the MBA, and their agents and employees are not assuming any obligation with regard to such risks and specifically disclaim any and all liability arising from such risks and any other risks involved with driving the vehicle in my possession across the Mackinac Bridge.

As consideration for the MBA providing a driver for the vehicle in my possession, I agree to accept and assume all (100%) of the risk involved in having the driver drive the vehicle in my possession across the Mackinac Bridge. I agree to release the State of Michigan, the MBA, and their agents and employees from any and all claims that arise from this activity, whether due to my negligence, the negligence of the driver, the negligence of others, or the negligence of the State of Michigan, the Mackinac Bridge Authority, or their agents and employees. I also agree to hold harmless, defend in litigation, and indemnify the State of Michigan, the MBA, and their agents and employees against all claims arising from this activity.

I further state that I am at least eighteen (18) years old and am under no legal disability that prevents me from executing this Release.
